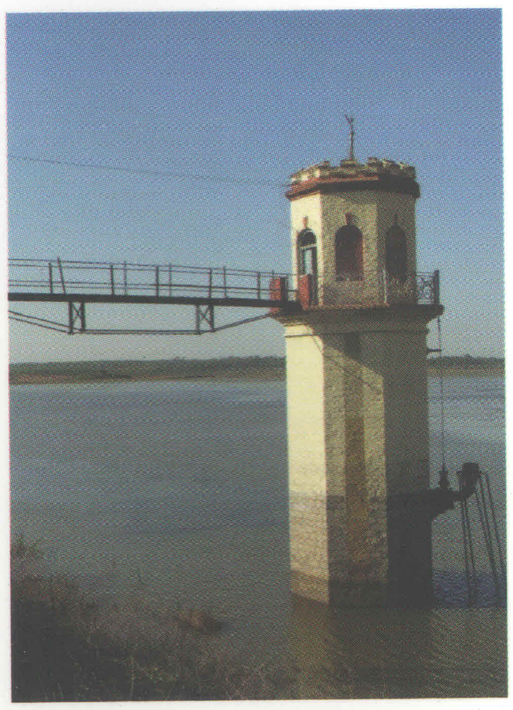
BRIEF ABOUT HESSARGHATTA:

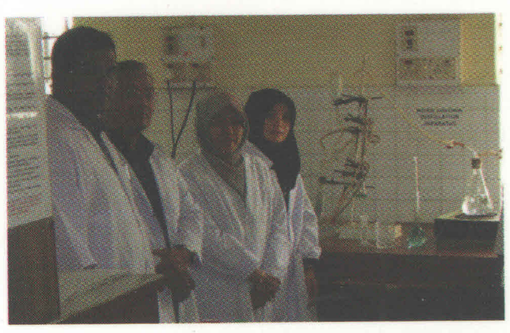
Hessarghatta is a scenic location at 30 kilometers to the north west of Bangalore in Karnataka State of India (GPS coordinates: 13 9' 19"N, 77 27'50" E). Hessarghatta is known for huge lake and organizations related to Agriculture and Animal Husbandry activities. Green Campus is the neighborhood for all institutions.



C. P.D.O. & T.I

This Institute Located at Hessarghatta, was established during 1972 to cater to the training needs of the Country and of other developing Countries in Poultry Production and allied activities. This Institute imparts advanced and Specialised training to the technical officers of the Central/State Govt. Organisations, Agricultural Universities, Bank and Insurance Corporations, Cooperative Sector, Poultry and Meat Corporations and Private Sector Poultry Organisations of the Country.

Under various Sponsored Schemes like ITEC, Colombo Plan, SCAAP, FAO, Foreign Officials from 54 countries have so far represented in the training at this Premier Institute.



SERVICE WING:

This organization has a laboratory with latest equipment for service of feed industry in assessing quality issues of feed & feed ingredients. Training in laboratory courses is also imparted for science graduates along with veterinarians.

PRODUCTION UNITS:

Rural poultry development is the primary focus of Govt. organizations. This organization maintains parent stocks of rural chicken and duck varieties for the needs of the country.

COURSES OFFERED:

Advanced courses - six weeks duration,
Laboratory courses - six weeks
Specialised course - 12 weeks
Sponsored courses - 1 week
Short term Orientation course - 1 week

FACILITIES AVAILABLE:

Class rooms with modern audio visual facilities,
